**Dear Isaac, Scott and Callum.**

**Firstly I want to say a big thank you for letting us aboard the swan. we really enjoyed the experience.**

**We enjoyed it because we got to do so many activities such as put up those massive masts and do a pop quiz!.**

**During the pop quiz we had to answer some questions about the swan and the winners were Sofianna and Saoirse**

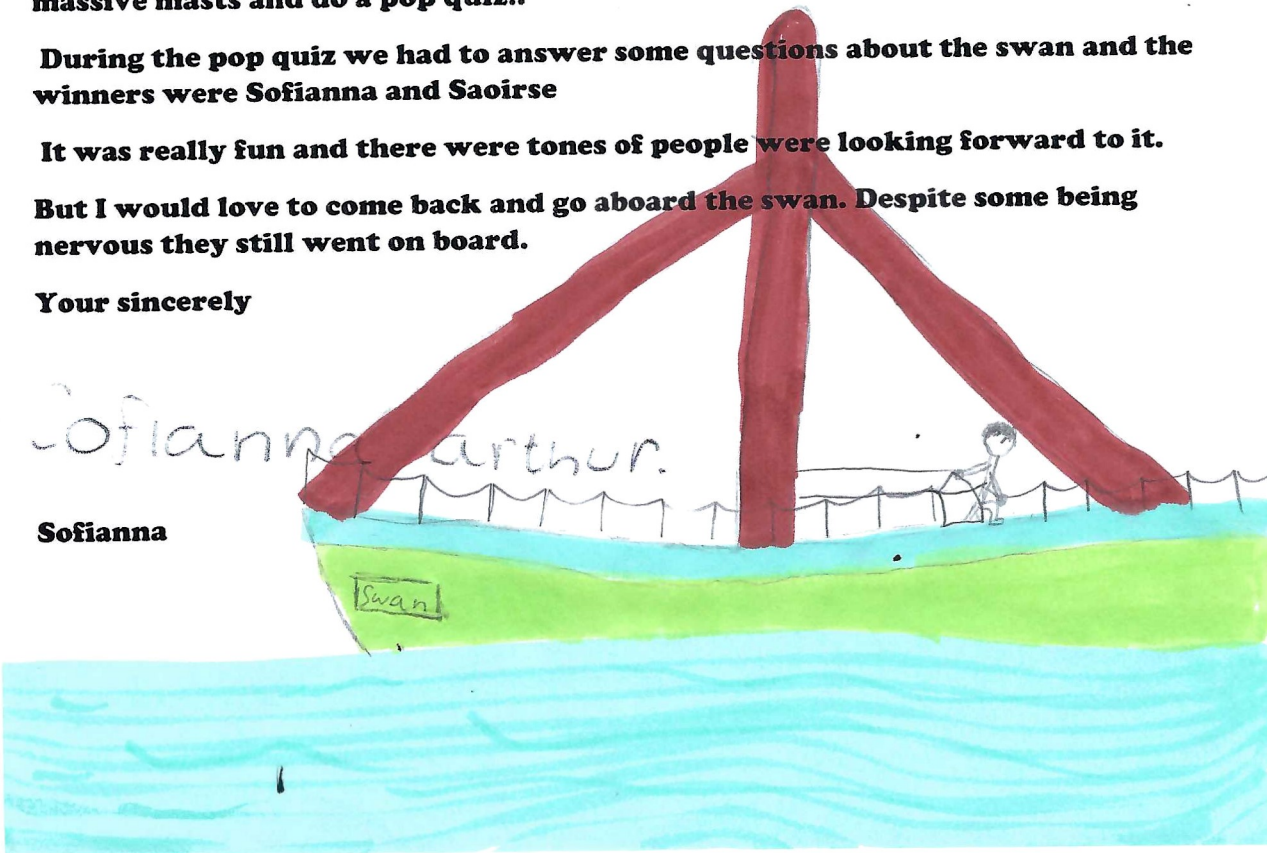

**It was really fun and there were tones of people were looking forward to it.**

**But I would love to come back and go aboard the swan. Despite some being nervous they still went on board.**

**Your sincerely**

Sofianna Arthur.

**Secondly thank you for teaching us how to put up the sails as well as learning how to steer the swan.**

Dear Isaac, Scott and Callum

Firstly I am writing to thank you for letting us on the Swan as well as teaching us lots of things we did not know. Also we are very happy that you let us do jobs we don't usually do since we are usually in school.

However we got to pull up the buoys that were on the side of the boat until they were all off the side. Another thing we enjoyed was putting up the sails although it took a lot of us. Due to this we also had to take them down after we didn't need them anymore.

Then we did a quiz about the boat which I and Sofianna won. In the quiz we had to come up with the best name in addition to answering the questions. Additionally we each took a turn steering the boat which we all really enjoyed. Lastly we all really enjoyed the trip!

Yours sincerely,

Saoirse
